"Lone speed with nowhere to hide. Closers without pace to run into. We know what they don't."

This Week

Sprint week starts today — Wednesday through Sunday, five straight days of racing. We loaded 60 Brisnet files covering all four days and ran the full pipeline. Last night's original card was built against Thursday (6/19) by mistake — the analysis was solid but targeted the wrong date. This morning we caught it, reran Phase 0–5 on today's races (6/18), and deep-read every qualifying horse line by line. What you're holding is the corrected card.

Two new strategies enter the rotation this week: the **Beyer Ceiling Gap Rule** (reduce stake when ceiling gap is 8+) and the **Cosa Nostra Rule** (bet FOR our horse when signals fire, regardless of the fave's protection). Both fire today. Thursday's card (14 races, already built) is queued for tomorrow.

Commission Picks — Vulnerable Favorite + Value Win Pick

Race 1 • Churchill Downs • Race 3

Starter Allowance • 8½ Furlongs Dirt • 9 Horses

WIN: MY NOBLE KNIGHT (PP4) • 9-2 • Beyer 90 • \$50

Pace: Three-way duel — PP1 PRINCE DAY, PP5 FOUNTAIN RUN, PP6 GEWURZTRAMINER all want the lead.

Thesis: GEWURZTRAMINER (7-5) has been on the lead and caught in 3 straight races — 3rd, 2nd, 2nd. He can't finish what he starts. Today he's got TWO other confirmed front-runners pressing him. Three-way speed duel = hot pace = horse sitting 2 lengths off inherits.

Favorite: PP6 GEWURZTRAMINER (7-5) [E] Beyer 94 — VULNERABLE. E fave in 3-way pace duel. Has been dueling and losing consistently.

Win pick: PP4 MY NOBLE KNIGHT (9-2) [P] Beyer 90 — Stalker who benefits from the speed meltdown. Came from 6th to 2nd last time he had pace to run at. Trainer 15%.

Strategies Firing

Beat the Vulnerable Favorite (Trigger B) — E fave in 3-way duel

Pace Makes the Race — 3 speed = hot fractions, stalker inherits

5	FOUNTAIN RUN	95	Speed, just ran 95, in the duel
6	GEWURZTRAMINER	94	Fave in box
4	MY NOBLE KNIGHT	90	Win pick — stalker behind carnage

Allowance · 1■ Miles Turf · 12 Horses

WIN: MARY'S BOY BOLT (PP4) · 12-1 · Beyer 98 · \$100 (DOUBLED)

Pace: Lone speed — PP12 LAZLO is the only confirmed E type.

Thesis: SUPERCHARGER (8-5) is a deep closer who's won from dead last 3 straight times — but with Beyers of 76, 73, 69. Against a lone speed horse who controls tempo with no pressure, she has nothing to run into. MARY'S BOY BOLT just won wire to wire 4 days ago and has the second-highest ceiling in the field (98). E/P style sits just off LAZLO and pounces.

Favorite: PP5 SUPERCHARGER (8-5) [S] Beyer 76 — VULNERABLE. Closer in lone-speed race. No pace meltdown. Weakest fave ceiling on the card.

Win pick: PP4 MARY'S BOY BOLT (12-1) [E/P] Beyer 98 — Won last out wiring. Presses from off LAZLO's pace. 12-1 is an overlay on a 98-Beyer horse.

DOUBLED — Vulnerable fave + 12-horse field.

Strategies Firing

Beat the Vulnerable Favorite (Trigger B) — S fave in lone-speed race, no pace to run into

Doubled Stake — 12-horse field + confirmed vulnerability

Cosa Nostra Rule — MARY'S BOY BOLT at 12-1 with 98 ceiling = bet FOR him

WIN: IT A LEE (PP6) • 10-1 • Beyer 96 • \$50

Pace: Three-way duel — PP3 REAL MEN VIOLIN, PP7 SANTINNI, PP8 FIRST OFFICER.

Thesis: SANTINNI (7-5) is E style who has been leading and dying — 5th, 4th, 6th in last 3. He's cooked every time he faces pressure. Today he's got 2 other confirmed speed horses. The stalker who sits off this mess inherits.

Favorite: PP7 SANTINNI (7-5) [E] Beyer 96 — VULNERABLE. E fave in 3-way duel, dying on the lead in 3 straight races.
